We've estimated the wire fees that will be charged to your recipient from their bank. This amount could vary based on the wire amount you send. If you'd like to change the "Total wire to recipient" choose "Back" to edit the wire amount.

We'll start processing your wire the same business day if we receive it before 4PM ET. If we receive your request after that time, we'll process it the following business day.

Before we send a wire, it goes through an internal review process, and in some cases we may need to contact you to verify your request. After we've sent the wire, the receiving bank may have its own review process, which could delay delivery.
